LOUISVILLE:

MONDAY, AUGIST 20 1855

If smoure of the based and vide and most in the sag Nieht jour als, is a spiral of maintainty and falselood worthy of the declarate parts, public downward instigating the roots of the 6th instatt. Dur score for sch a charge at different these who make it scarcely allows as the same at the state of the same at the state of the same at the state of the same at the s

Our course in the late case has it well known wherever our paper circulates. We conducted the suspangin with spirit, for we believed vasic adjusted to the suspangin with spirit, for we believed vasic adjusted to the suspangin with spirit, for we believed vasic adjusted to the suspangin with spirit, for we believed vasic adjusted to the suspangin with spirit, for we believed vasic adjusted to the suspangin with spirit, for we believed vasic and spirit and the properties of the suspanging with spirit, for we believed vasic and spirit and the properties of the suspangin with spirit, for we believed vasic and spirit and the properties of the suspanging with spirit, for we believed vasic and spirit and the properties of the suspanging with spirit, for we believed by a spirit and the spirit and the spirit and the properties of the suspanging with spirit and the spirit a mean battled forcely against u. and we stood u.w. He mantain d.m. selected position, alone in opposition to trem all. They all depute of first of its virtues rive encures. alon in opposition to frem all. They al demonuted, day by day, the members of the American party as liars, thiexes, perjuers, nurdeners, thurs, bloodhounda, &c., but we scorne such at receious warfare and never retorted such horrible epath is upor our opponents. We would a tracellar to the sooner have and our right arm upon a batcher's block and had it cut off inch by inch to the shoulder than have applied to our opponents, consisting chiefly of foreign-burn citizers, such as the same of the best parts in the country areas one of the same and the same and the same parts in the country attacks as the ragraphs that unight perhaps unak. shoulder than have applied to our opponents, consisting chiefly of foreign-born citizene, such accuraced epithets as the Sag Nicht organ one and all applied to the members of the American party made up almost exclusively of nat ve-born citizens. If we had used such language foward the Anti-American party, we should feel that we deserted to have our tongues torif om or mouth or borred through with red-biars. Who then were the intendiaries—who created and feetered the violent leelings that raged and maddened in this community? Was it we, who, in every number of our paper, respected the dignities, the courtesies, and the decencies of citizens, the courtesies, and the decencies of citizens the courtesies, and the decencies of citizens the courtesies, and the decencies of citizens the courtesies, who made their ignorant followers believe that the Americans were a set of hell-spirits bent on the murdea and axtermination of the foreigness and deserving themselves to be an refered and exterminated as soon as possible?

Our political enemies charge that we did all

Americans to put on weapons. Although we knew, that role of the most pron is of the Anti-American and lates had lectare in tones of deep excitement is a public speech at Jeff is general. These are tasks, established to deep excitement is a public speech at Jeff is general. These are tasks, established to deep excitement is a public speech at Jeff is general. These are tasks, established feets with the foreigness should have a change to vote here at all bazard, and the the himself would if necessary furnish them with revolvers and bowteckinges, and, swood hand, lead them in a second host to the poll, at although we knew that another prominent Anti-American candidate was in the babit of exlational to be stown special rotice upon some of the city, dysing the streets of the city, dysing the city of the city, dysing the streets of the city, dysing the city of the c American candidate was in the habit of celating upon all occas or the foreign sub-divote even if the ground the street shirid service even if the ground the street shirid service even if the ground the street shirid service even in the street e vote ever it the goars if the retail y of the boss any one copour a foreignes will gathern and frequency for our pents and one the walls apply to be Sag-Niclose expected for the homograph and saw the walls apply in the Nag-Nicle organs and a dof the preparation of day weapons at a deep day weapons at the seemed in every larger of the day in all in the last thrive off and seemed in eight days the first as the eight days the first as the eight days the first as the eight days the first and the eight days the first and the eight days the first as the eight days the first and furnish the eight days the first and the eight days and for each the eight days and the An recass the prepriety of their of the control preparation meet arms with arms—yes, on the preparation meet arms with arms—yes, on the working day before the grant trap. ited to our friends after the fellowing our advice was that of an incembrary, a distur-

We can considertly ask any man of commanders to say whether we should have made such an appeal to our friends on the very last working day of the canvass if we had defired than to arm themselves for the pole or wished to bring about a bloody collision. As we have said above, those Sag. Nicht editors altra I will denounce us as faving a stigated the riots are generally editors with whose we do notes hange papers, who have no opportunity of reading our columns, and who of course have their britted and mortified Sag. Nicht e itors here.

Almost every editor abroad who actually were supported by the course. The columns are supported by the course of the columns are supported by the columns and the columns are supported by the columns are supported by the columns and the columns are supported by the columns are supported by the columns and the columns are supported by the columns and the columns are supported by the columns are supported by the columns and the columns are columns and the columns are columns and the columns are columns. The columns are columns and the columns are columns and the columns are columns and the columns are columns. The columns are columns and the columns are columns and the columns are columns and the columns are columns. Almost every editor abroad who actually were our paper, who kne wa what we have writen and what we have not written, who i arked on a course throughout the whole of the late ider canvais, defends us warmly against the lying charges of our foes and applicade us for our light and manly course. Never before were we so warmly eulogued by fetendly and impart all editors as we have been since the election, never before did we receive such multi-ides of ithin elections. The state of the s

transle advantage over all of its city contemporaries — Mayarute Eagle.

The proud position which the Louisville Journal has maturained thoughout this campaign, a its effort to are rt difficulty and prevent the city from being made the scene of outgage and bloodshed, should immortalize it in the heart of every peace and order-loving city zen of the Usion. The vorce of Geo. D. Per tace was heard first and last in the scene crying out for peace, while his opposing contemporaries in that city were agging on a war. In the bloody bour of midnight shrife his voice only was found potent to roll back the tide of propular indignation from the very doors of those who had inflamed it. — Economitle Journal A good deal is said in this count cition about incrediary appeals made bythe Louisville Journal during the canvaes, and particularly on the morning of the election. We are an aftertire reader of that paper, but have been unabled to perceive the incendury character ascribed follows. They were evidently written under strong excitement, but so were the articles in the Countar and Democrat. Those papers, as contemporary well expresses it, were continually telling the materalized votes that the Auseria.

**Contine not heard from, 7 (estimated) — 6,000 prices as a contemporary well expresses that the Auseria.

**Total — The propose of the countries of the coun

whiled your conceand free worship of tend. The America is the were called "Church in ris." "Dark I. The Comparators," "The Emmes of Civil and Religious Liberty," and "The Foes of all who are of Foreign Birth."

In the Foes of all who are of Foreign Birth."

In the Foes of all who are of Foreign Birth."

In the were are a few of the terms by which they are really eigned the riots of chlordy Monday" in this accordant with the riots of chlordy Monday. They were for the unest part talk in from the months of the committee in the riots of chlordy Monday. They were for the unest part talk in from the months of the committee in the process of the committee in the proces COURSTILLE JOURNAL

the wording them down — Newerk Meertiser.

The effort to cast the blame entirely upon
the American party, and upon the Louisville
Journal as the organ of that party, is the basest
tempt thay have ret made to decrive the puband injure a parte and patrotic body of
curvens, whose only crime is that they do not
rhose to vote demagogues into power and place,
or to quietly sulin 'to be made a target for
toucagues sto shoot. If it is charged by the
A in-American papers that the "Louisville
down all's in cend any a tubels were the principal
se of the root." Now all those who have
sea the Journal and the Anti-American organfor Louisville, know that this charge is entirely
so thout for adatum—closurally false.

Mi we sek of any encible and unbased

**Now the company to the principal of the mare much outinguished for

oon as possible?

Our political enemies charge that we did all in our power to persuade the members of the American party to arm for the election day. If we made this attempt, we certainly failed in it, for scarcely any of the American armed for the election. When they were fired on and twenty of they had to persuade the substitute of the color of the city that there was an unusual arms in the election. When they were fired on and twenty of their number killed of the color of the city that there was an unusual arms in the election. When they were fired on and twenty of their number killed of the color of the city that there was an unusual arms in the election. When they were fired on and twenty of their numbers, clutching were like they are not applied to the color of the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there was an unusual arms in the city that there wounded they had no weapons upon their perof them ma a rush for their respective home to prepare them less for resistance. It is a floothem, and a sus a special additional black he that we said anything to induce the

keep force is possional and them in tail the Sag-Nicht votas shall be polled. We pay very fittle heed to such reports, and we loope that our American friends will pay ne beel to them. We carried by hope that our friends will not attempte a collision of force at the polls, and that they will make no provi on for any such contingency. Let every true American go to the place of voting, desirous on y of exercis and the place of voting, desirous on y of exercis and the state of them is a me of the aboute but a large and of exercis and the explace of voting, desirous on y of exercis as there.

We would by all means he rather than inflame the public feeling, for it is by tar too much inflamed already. We deprecate a lise for two of force as one of the greatest evily that conditions of force as one of the greatest evily that conditions of force as one of the greatest evily that conditions that a she should have no Representatives in the State Logislature, and but that she should have no Representatives in the State Logislature, and but that she should have no Representatives in the State Logislature, and but that she should have no Representatives in the State Logislature, and but that she should have no Representatives in the State Logislature, and but that she should have no Representatives in the State Logislature, and but that she should have no Representatives in the State Logislature, and but that she should have no Representatives in the State Logislature, and but that she should have no Representatives in the State Logislature, and but that she should have no Representatives in the State Logislature, and but the recent cirction. We beard a sex cays ago of an incensed P that does not not constitute to a should be such as the property even if he could some of our opponents profess to a teripart. Every man, who shall encourage or protocomes the section of the state to be sound that every human life, sacrificed to a spirit of political violence or fercently, may involve the manufacture of the state of the sacrifica of political violetice or ferocity, may involve the satisfy and destitution of a large and it ocent is a the interest sacrit of \$7,000. Let this family.

such hosts of new subscribers and friends poor deries by we arown member of the Sag in upon us, never before had we such strong. Nicl as our ion, just before the election, and reason to feel that we had entitled ourselves to we do not doubt that the half-bushed measure the approbation and the blessings of the best fill of hears knuckles" which were in the portion of the nation. The following are but home of an Irishu an on Market street, on the

portion of the nation. The following are hut opportune of the better sortion of the press:

Much has been said about the course of the Louisville Journal previous to the electron, and Mr. Prest ce is roundly about dip the opportune press as the exciter and organator and least of the smooth. We have read the Journal carefully, and it is our deliberate opinion that has manifested far more courtery, and been far less aboutte than any of its contemporaries. If the use of vituperative equations, under the most violent abuse, is to be ascertained—then is the Journals and the relative reaponsibility of the Louisville press is to be ascertained—then is the Journals advantage over all of its city contemporaries. The press is to be ascertained—then is the Journals advantage over all of its city contemporaries. The press is to be ascertained—then is the Journals advantage over all of its city contemporaries. May be a support of the courter of the pression of the courter of the proper of Louisville, and that it is almost a pressure that we may find our paper altogether unsailed to the taster of the people of Louisville and that it is almost a find an odd it is, by all good citizens for the courter of the pression of the courter of an immeasurable advantage over all of its city contemporaries. The proud position which the Louisville to the courter of the proper of Louisville and the practice of the practic
